

OUR TRUEST SELVES

LYRIQ Music School

OUR TRUEST SELVES

INTRODUCTION:

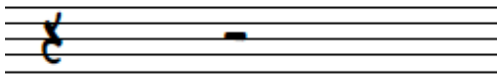

This song is sung by the whole class, the whole way through. An accompanying instrument will play along, the chords for which are displayed above measures in the lead sheet. There is no percussion for this song. All sung notes are indicated with traditional noteheads.

Keywords are underlined on the lyrics page.

PERFORMANCE NOTES:

SPEAK:

Speech is indicated as quoted text below a measure.

"One last time everybody!"

LYRICS

I am me, I am me,
I am who I'm meant to be
They might ask, to hold back
But I just wanna be free

I am free, I am free
To be who I wanna be,
They might say I'm not ok
But I know who I'm meant to be-eee
Me-eee

C'mon let's live our truest selves
As long as I'm not hurting someone else,
They might tell me that I'm wrong
But I have known all along
That this is really me
And I know I'm free to be!

I will wear what I want,
I'm not here for you to taunt,
Maybe I'll wear some jeans,
Or dress, like a queen

Cuz I have known all along
Even if people say I'm wrong,
This is really me
And I know I'm free to be!

C'mon let's live our truest selves
As long as I'm not hurting someone else,
If I'm "him" then that's okay
Or want to go by "she" or "they",
Remember what is true
And what's at the heart of you

Maybe I like someone,
I shouldn't have to run,
Pansexual or bi,
I shouldn't have to lie

Cuz there's nothing wrong with love
Beautiful as the stars above
And in any form,
It doesn't matter what's the norm!

C'mon let's live our truest selves
As long as I'm not hurting someone else
It doesn't matter who's my crush
Or if someone makes me blush
That is just my business
I don't need forgiveness

I am free, I am free,
To love who I wanna love
Gay's more than ok,
Don't push those feelings away

I am me, I am me,
I am who I'm meant to be
I know who I am, inside
That's not something I should hide
I'm my pride!

One last time everybody!

C'mon let's live our truest selves
As long as I'm not hurting someone else
They might tell me that I'm wrong
But I have known all along
That this is really me
And I know I'm free to be
